

Welcome to Derwent Lodge Care Home

Moments to treasure, care & support you can trust.

Welcome to Derwent Lodge Care Home

Welcome to our spacious and dynamic home just a short walk from the picturesque high street of Billingshurst, West Sussex. As a purpose-built home, we offer a variety of beautiful environments and a professional care team ready to cater for any needs.

About Derwent Lodge

The comfort, safety and wellbeing of our residents always comes first. With around-the-clock professional care, a qualified nurse on hand 24/7 and a specially trained dementia care team, you can focus on doing the things you love most, while we take care of everything else. Regular visits from

friends and family are hugely important for the well-being of the people we support. Loved ones are encouraged to visit often with drinks and snacks available upon request. This allows you to spend quality time together and to make memories by joining in with our activities/events.

In order to provide our residents with the best life, we create care plans that describe the needs and wishes of each resident. Our team will follow this closely to keep them comfortable and encourage them to try new things.

Life at Derwent Lodge Care Home

At Derwent Lodge we have a wide range of different facilities for residents to enjoy including:

- Communal Lounges
- Dining
- Resident Garden
- Indoor & Outdoor Activities
- En-Suite Bedrooms
- Live Entertainment

We have built the most beautiful facilities for residents, including 56 bedrooms, communal lounges and a cafe & kitchenette. Residents can choose to relax in these or enjoy their favourite refreshments at any time of the day, our team are available around the clock to make you feel comfortable. We encourage residents to adopt an active lifestyle where it is possible, so we have a large resident's garden that we spend time

upkeeping in the summer months or provide indoor and outdoor activities for them to opt in for on a daily basis.

Bringing smiles to the faces of those in our care fills our hearts with warmth and reminds us why we are so devoted to caring for our residents, which is why we work hard to ensure they can always live their best lives.

Care at Derwent

With a highly skilled team focused on supporting our residents to achieve their full potential, we take pride in delivering tailored care you can trust.

Convalescent care

If you are looking for short-term rehabilitation following an illness or hospital visit, convalescent care is most appropriate for you. At Derwent Lodge, we offer a spacious retreat where you can take the time to recover and achieve your full potential doing the things you loved most whilst being supported by our experienced team 24 hours a day. Our care home is purpose-built and has been carefully planned to suit you the whole time you are receiving convalescent care.

Dementia care

Our care home in Billingshurst, West Sussex is equipped with a separate dementia care unit to deliver personalised care to those that need it. We know how difficult it can be to live with progressing dementia whilst trying to continue with your usual routine, which is why we have qualified nurses available 24/7 to look after your needs and support your quality of life. Our home

is adapted and equipped for everything you may need while receiving our exceptional dementia care.

We also offer specific dementia activities as part of our entertainment, which can promote general health and wellbeing.

Nursing care

If you are living with long term illness or complex needs, our nursing care is the best option for you. Before you or your loved one moves into our spacious care home, we take the time to get to know you and create a dynamic care plan so we can offer the most

appropriate care and cater for your needs in the best way we can. You can put your trust in us and rest assured that you will receive the best nursing care when you reside with us at Derwent Lodge.

Respite care

At Derwent Lodge, we offer short-term respite care to those whose caregivers need to take a well-deserved break. This may range any time between a few weeks to a few months and our excellent team is on hand to provide residents with a retreat during this time. All residents will have full access to our facilities and amenities to enjoy doing what they love most, whilst we take care of the rest.

Palliative care

Palliative care, which is sometimes called end-of-life care, is suitable for people living with a serious illness and focuses on providing effective management of symptoms that may occur. The main goal is to improve the quality of life for the person receiving palliative care and support the people closest to them during an important time. Our team are always available for you.

Residential care

Residential care at Derwent Lodge provides a vibrant retreat who require some extra support with their daily activities but can live independently on the whole. When you live with us, you can enjoy living in a group setting whilst having control and focusing on continuing to do what you love most, we will take care of everything else. Bringing smiles to the faces of those in our care fills our hearts with warmth, which is why we work hard to ensure our residents can live their best life
