Moments to treasure, care & support you can trust.

Welcome to Ullswater Cottage Care Home

Our care centre near Pease Pottage, in the heart of the West Sussex countryside, delivers high standards of care and support for people living with long-term neurological conditions. With woodland views and vast lawns, Ullswater Cottage offers a tranquil setting with added peace of mind.

About Ullswater Cottage

Expect a warm welcome and a family atmosphere from a dedicated team that takes pride in providing exceptional levels of care and companionship. By investing time in getting to know the people we support, we can understand their needs, strengths, and interests.

This enables us to tailor our care planning to the individual and structure an assistance scheme that can adapt with them as their needs change over time.

Our commitment is to provide the utmost support to those living with long-term neurological conditions, where residents are surrounded by like-minded individuals and supported by a specialist nursing team determined to go the extra mile to help our residents continue to thrive. In addition to our exceptional care services, we offer various facilities for residents' enjoyment, including 10 ensuite bedrooms, communal lounges, and a sensory room.

These amenities are always accessible to our residents, providing a welcoming space to relax with loved ones whilst enjoying their favourite refreshments in the place that they are most comfortable. We want our residents to continue to get the most out of their days, so offer live entertainment & activities for them to take part in on a daily basis.

Care at Ullswater Cottage

At Ullswater Cottage Care Centre, we offer permanent care and respite care for adults under 65 years of age with a variety of long-term neurological conditions.

Nursing care

At Ullswater Cottage Care Centre, we understand that everybody's needs are unique requiring care tailored to their particular needs. Because of this, we have adopted a person-centred approach that considers the physical, emotional, psychological and social aspects of care for each individual.

Our professional team are available 24/7 to support residents who experience more

complex and challenging medical or neurological conditions. Providing high-quality care is of the utmost importance to us, therefore we prioritise ongoing training for our entire team to ensure they're able to maintain the safety and wellbeing of our residents. Our team is enthusiastic and supportive, catering for the needs, preferences and aspirations of each of our residents.

Respite care

Ullswater Cottage is the perfect option for short stays for those who are recovering after a hospital stay, illness or are looking for somewhere to stay while your primary caregiver has a well-deserved break. You and your loved ones can rest assured that we are supporting residents 24 hours a day and offering respite care that you can trust.

Our brilliant team are eager to welcome you warmly and ensure your experience with us at Ullswater Cottage is enjoyable. We will meet with you and your loved ones before your arrival to complete an assessment to gather as much information as possible enabling us to prepare a person-centred plan for your care.
